

Ferrari 512 BBi

JC bought this fabulous well documented Boxer from Maranello Sales in 1984. One month after taking delivery John had the car's sills painted red and before it went back to Maranello, he lent the car to CAR magazine where it was featured as the cover star for the April 1984 edition.

The car has covered under 21,000 miles and always been correctly looked after and therefore is consequently in superb condition and runs very well indeed.
